

## Towel Sale Saturday

If we should tell you that in this sale you could buy Towels for your family use in some cases for less than they can be made for today you'd be interested, wouldn't you. Well, for this one day you can do just this.

"How can we do it?" These goods were bought when they were from 15 to 20 per cent less in price than today. "Why do we do it?" Because they were bought for just such a sale as this—and we want to turn the stock at once.

Buy one or a dozen and it's a big paying investment. The more you buy the better the investment.

**At 5c Each**—Cotton Huck Towels, 15 by 26 inches. They cost about this at wholesale now.
